

Virtual Museum Challenge

Worksheet

Grades 9-12

Secondary Cycle 2

Instructions:

You have been asked to prepare a museum exhibition related to Marius Barbeau, on a specific theme of your or your teacher's choice. Your task is to gather the information you need to tell others what the exhibition is about.

Go to the [Marius Barbeau web module](#). Select the Objects tab, and view the available categories of objects. Select a category from the side menu, and then at the bottom of the page, select "View all items in the collection". A list of objects is displayed. Select the link for an object to display its artifact record. Answer the questions using the artifact database records.

1. Category of artifacts
.....
2. Theme of exhibition
.....
3. List four artifacts you would include in this exhibition. Why did you select these objects?
.....

4. How could you display these artifacts: in a case, on a platform, on a wall, other? How much space would you need to display them? How might you group them?
.....

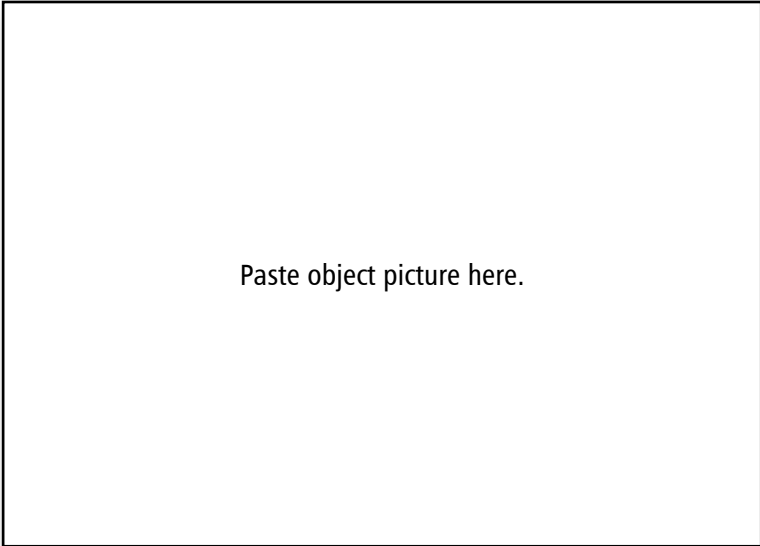

5. Select one artifact to describe in detail by completing the Artifact Information Sheet on the next page. If you are working in a team, each team member should select a different artifact. Use the database, the Marius Barbeau web module, and other resources if needed. Why did you select this artifact?
.....

6. What would you say about this artifact in the exhibition, in 25 words or less?
